Hon. Lawton Chiles

U.S. Senator

250 Russell Senate Office Bldg.

Washington, D.C. 20510

Dear Mr. Chiles:

You have the opportunity of saving a man's life: Raoul Wallenberg, an American citizen, now in a Russian prison. How can you help? Please try to get word to President Ronald Reagan before Mr. Mikhail Gorbachev comes to the U.S. (Dec. 6, 7, 1987.) That Mr. Reagan must bring up the subject to Mr. Gorbachev - asking him to release Mr. Raoul Wallenberg. It would make diplomatic relations go a lot more smoothly if Mr. Gorbachev showed his good faith in America by freeing this man.

You may recall that President Reagan signed the official document in 1981 that made Mr. Wallenberg an honorary citizen of the U.S. (Only one other person ever received this honor --- Mr. Winston Churchill)

Please do your best.

Kindest regards,

The Russians keep saying that Mr. Wallenberg is dead.  
However, a refugee, who was imprisoned in the same prison with Wallenberg, claims he saw him alive.

Mr. Wallenberg, a Swedish diplomat, was sent in 1944 to Hungary to rescue the Jews before Hitler's men took over. He accomplished this miracle - sending them all to Sweden, a neutral country. He completed this dangerous mission just minutes before the Nazis marched in.

Suddenly, out of no-where the KGB grabbed him and spirited him away.

Why? no one knows  
where? no one knows
